Advanced Pure Brown

MONIER ADVANCED CONTOUR® Roof System offers a contemporary outlook while its Kilat Tech gives a glossy and shiny finish that you desire. We offer even-coloured and glossy single-sided tiles for non-exposed roofs; as well as consistently thorough coloured tiles for exposed roofs.

**DURABLE
SHINY COATING &
SMOOTH SURFACE**

The surface coating provides exceptional durability of up to 10 years* while its smooth and shiny surface provides optimum surface durability and better ageing.

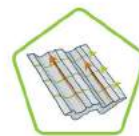

**HIGH TILE STRENGTH
AND QUALITY**

We merge our technical excellence of design engineering and production technology to give you high tile strength, with high compressed exposed edge for better ageing.

**MODERN
COLOURS**

Available in a range of modern glossy and shiny colours and as well as matt colours for specific roof styles.

**MODERN &
STRUCTURED
ART-LINE**

The unique modern design is emphasised by the precise curves and sharp lines of the tiles, creating an impressive roof.

* Accelerated ageing tests performed by MONIER Technical Centre to simulate products performance under Malaysian weather conditions.
